Dear Mr. Nittler:

This verifies your reception of WOW on February 12.

WOW operates 24 hours daily except Sunday morning when we sign off from 1:00AM to 6:00AM for equipment maintenance.

The transmitter is an RCA type BTA-5G rated at 5 kilowatts and the antenna is a vertical steel tower 458 feet high.

WOW was established in April of 1923 and is now affiliated with the CBS radio network.

Thank you for your report.

Sincerely,

W. J. Kotera
